TheJobCenter.biz

At The Job Center, our workforce solutions are designed

to meet your

needs whether you are looking for qualified employees or for your first job.

We're here to help.

Business Services

The Job Center offers a variety of workforce solutions in one customer-friendly system.

- Job posting
- Applicant matching
- Recruitment
- Skill and aptitude testing
- Access to a pre-screened applicant pool
- Assistance with retention
- Life-long learning opportunities for your employees
- Labor market and other informational resources
- Small business resources and assistance
- Workshops and classes
- On-the-job training

We pre-screen and test our pool of applicants to make sure their skills match your needs and their personality fits your company's culture.

Using our recruitment and screening services will save you time and money and in addition, may qualify you to receive financial incentives like training reimbursement and tax credits.

At The Job Center, we work hard to match the right employers with the right employees, from entry level to highly-skilled, in a broad range of occupations.

- Professional and Managerial
- Healthcare
- Technology Services
- Manufacturing
- Transportation
- Administrative
- Service

Services for Individuals

Our full-service center offers no-fee employment services to everyone. We provide a link to training, education and employment opportunities. Our services are designed to meet your needs, no matter what your skill level; whether you are looking for your first job or you've lost your job because of downsizing or company closure.

- Job postings and referrals
- Career counseling
- Resume writing
- Interview workshops
- Workshops and learning opportunities
- Links to training and degree programs
- Skill and aptitude testing
- Computers with Internet access
- Job loss and transition assistance
- Support services to help you get or maintain employment
